

Running from **Friday, June 5 through Sunday, September 13**, The Melt Yard is transforming the space into a cheese-lovers' paradise, perfectly timed for those warm summer nights and the bustling energy of the Deer District.

More Than Just a Snack: A Cheese Spectacle

The Melt Yard isn't just serving food; it's putting on a show. The organizers are going all-in on the "spectacle" of comfort food. We're talking about massive, gooey grilled cheese sandwiches and a 15-foot cheese-pull challenge that is guaranteed to be the star of your Instagram feed.

The aesthetic is total backyard-summer vibes, featuring picnic-style seating, lawn games, and plenty of curated photo installations that make it the perfect place to hang out with friends or family before (or after) heading into Fiserv Forum.

Your Weekly Summer Guide

The Melt Yard is designed to keep the energy going all week long. They've aligned their programming with the existing rhythm of the Deer District:

- **Thursdays:** Fuel up after *Fitness on the Deer District Plaza*.
- **Fridays:** Grab a bite while enjoying live music in the Deer Garden.
- **Saturdays ("Pup Pull Saturdays"):** Bring your furry friends along! The menu will feature pup cups and dog treats, plus plenty of dog-friendly photo ops.
- **Sundays:** The perfect post-market stop after hitting the *Deer District Farmers Market*.

Dog Lovers Take Note: The Melt Yard is partnering with the Humane Animal Welfare Society (HAWS) of Waukesha County for **Adoptable Dog Days** on July 11, August 1, and September 12. Come for the cheese, stay for the puppies!

The Wisconsin Experience

It wouldn't be a Milwaukee hangout without the drinks to match. The menu is a love letter to local favorites, featuring Beren's brandy Old Fashioneds, Tito's Bloody Marys, and refreshing Monster Energy options. And for those with a sweet tooth, the venue is serving up sweet-and-savory s'mores that are sure to be the perfect cap to any night.
